Moreover, no election banner, streamer or flag may be affixed to a public utility pole.

Workers who maintain public utility poles may, if they consider it necessary for the purposes of the work to be done, remove any election poster from a pole. Except in an emergency, they shall first notify, as the case may be, the candidate or the authorized party concerned or the private intervenor referred to in Division VIII.1 of Chapter XIII responsible for the poster.

The notice shall indicate the places where posters or billboards are to be removed. If posters or billboards had to be removed by the municipality or by the owner at the expense of the party, candidate or private intervenor, the bill shall indicate the place and date of removal.
