Localized reconstruction of sidewalks on Westminster Avenue

The Town will be carrying out localized sidewalk repairs on Westminster between Curzon and Milner. The work is tentatively scheduled from **July 4 to July 15, 2022** (weather permitting). These dates were strategically chosen to reduce impacts as school has now finished for the year.

The two sections targeted are adjacent to the former RBC bank (26 Westminster N) and the Montreal West United Church (88 Ballantyne N). See the map on the back for more details.

Temporary signs will be in place to inform pedestrians and motorists of how to proceed around the work. Please respect all temporary traffic signs.

Pedestrian Access

Sidewalks will remain open, except in the specific areas being replaced. To facilitate safe crossing of Westminster, a temporary crosswalk with stop signs will be installed mid-block between Curzon and Milner.

Vehicular Traffic Circulation

Westminster will remain open for vehicular traffic in both directions for the duration of the work.

Milner will be closed in both directions between Strathearn and Westminster. A detour route will be in effect during the work via Sherbrooke, Brock N, Curzon, and Wolseley.

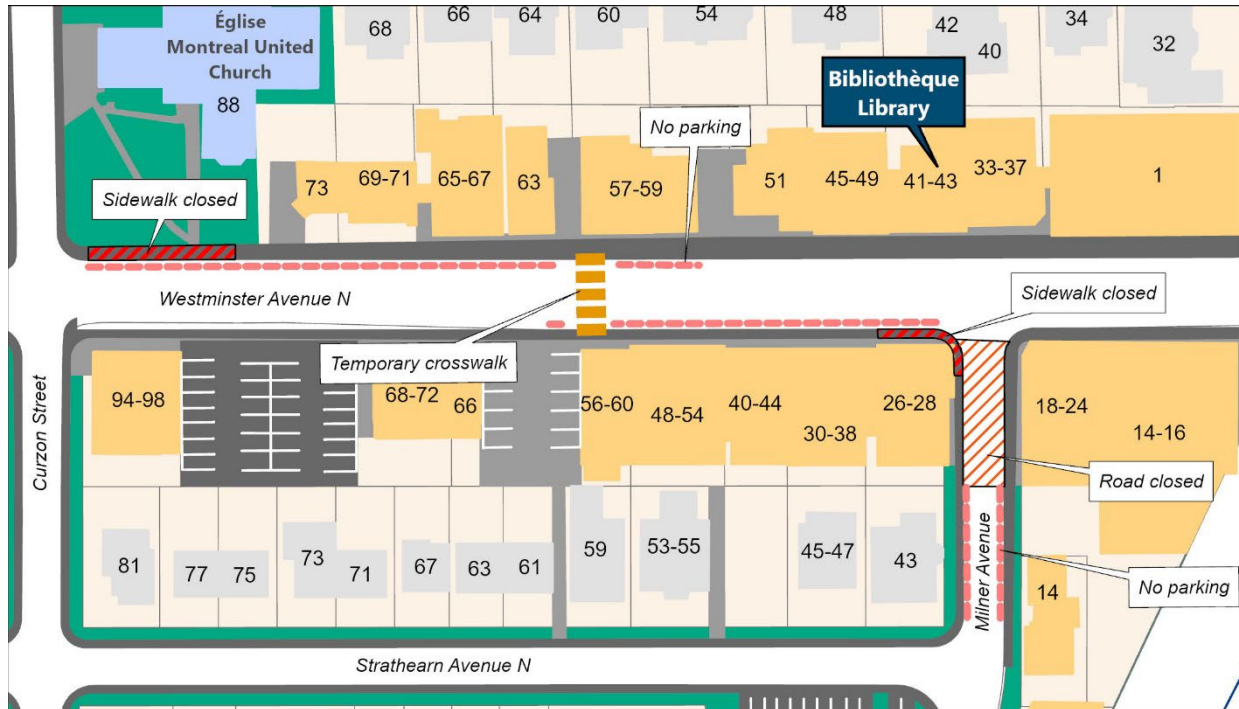

Parking

Temporary no parking signs will clearly indicate the areas where street parking will be prohibited. The dotted red line on the map below indicates the no parking zones.

The municipal parking lots on Westminster lot and Strathearn will remain open.
