

Notice of work

Promenade Sheraton

Start: Week of June 20

End: Week of July 11

**At the approach to Chemin
de la Côte-Saint-Luc**

Water supply system optimization

Impacts on your daily life

Traffic

- Complete closure of Promenade Sheraton, at the approach to Chemin de la Côte-Saint-Luc.
- Planned detours via Avenue Crestwood, Avenue Westluxe, Avenue Smart and Chemin Radcliffe.

Parking

- Restrictions in place near the site. Please heed the signs.

Undesirable effects

- Dust / noise / vibration.

Important to know

Access to buildings

- Where sidewalks are obstructed, temporary walkways will provide access to residences and other establishments at all times.

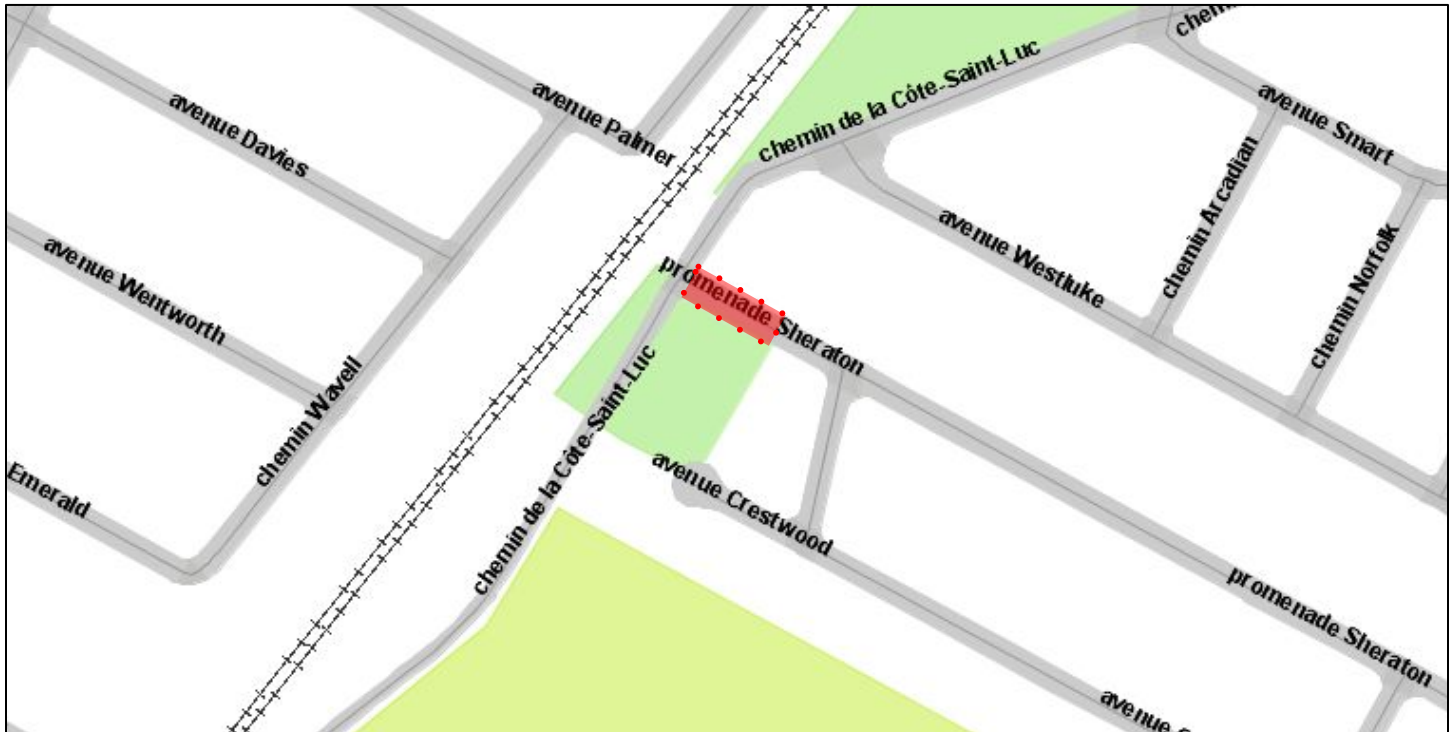

Garbage, recyclables and compost

- Collection schedules will be maintained. Garbage cans and bins that are not accessible to the collectors will be moved by the company performing the work. Each container must be clearly marked with your address so that it can be returned to the right place.

Work schedule

- Monday to Friday, 7 a.m. to 7 p.m.

..... Location of work

Water supply system optimization

This work is part of the program to optimize the drinking water supply system on the island of Montréal. The construction and repair of the infrastructure required to regulate pressure will facilitate the management and operation of the water supply system and will reduce water main breaks.
