

**Andy Michelin**  
**Campaign Chair**

Andy Michelin is a seasoned corporate leader with a passion for community development. As the newly appointed Chair of the capital campaign to raise \$2.5 million for the construction of Montreal West's new Sports and Recreation Centre, he brings a wealth of experience and dedication to the table.

Currently a partner at Richter, a renowned Business | Family office that provides strategic advice on business and family matters, Andy has

demonstrated his commitment to making a difference within his local community. His involvement in various community-oriented endeavors reflects his deep-rooted belief in giving back to Montreal West, a community of great significance to him and his family.

Andy's ties to Montreal West run deep, having been actively involved in initiatives aimed at enriching the lives of those who make up the community. Alongside his sister Janet, he spearheaded the Steve and Rob Michelin Hockey tournament in honour of his twin brothers who died of Cystic Fibrosis. Since 2001, the tournament has raised over \$250,000, most of which has been used to support initiatives within the Town, including to the construction of the New Sports and Recreation Centre for which he has been advocating since 2006.

Additionally, Andy's involvement in youth activities, like coaching his son's hockey team, working within the Montreal West hockey program, and being an active Beaver and Cub leader in the Montreal West Scout Group, highlights his dedication to nurturing the Town's future generations. His children have also been active in the community, not only participating in the Town's recreational activities, but also working as lifeguards and camp counsellors over the summers.

With a history of community engagement spanning many years, Andy views his role as campaign Chair as the culmination of his efforts to help the Town realize its goal of a new Sports and Recreation Centre. His vision for the campaign goes beyond monetary targets, emphasizing the importance of widespread participation, fostering a sense of ownership and pride in the community's renewed recreational facilities.

Through his leadership, Andy seeks to unite the community in a collective effort towards building a Sports and Recreation Centre that will serve people of all ages for generations to come.
